To Whom It May Concern:

Are you looking for a great, new fundraiser for your non-profit organization? Howell Living History Farm's award-winning corn maze, now in its 15<sup>th</sup> year, can help you raise hundreds (or more) for your organization through its highly successful MazeDays Program.

The program shares 50% of the box office with partner organizations like yours – organizations looking for fun, educational activities that bring families and individuals together in support of your fundraiser.

How does it work?

During the month of September, our maze staff will record each paid admission associated with your organization, and at the end of the month send you a check for half the total revenue. All you have to do is encourage families and individuals to attend the maze on any open weekend in September and present your organization's coupon, which they can print from our website to identify themselves as supporters of your organization. Tickets cost \$8 for ages 10 & up, \$6 for ages 5-9 (children 4 and under are free), so if 100 adults and 100 children from your organization participate in the program, your non-profit organization will receive a check for \$700.

To assist you with your promotional efforts, we will provide you with rack cards, sample gameboards and puzzle pieces and aerial photos of previous mazes. We will also give you 10 admission tickets that you can use in your organization's silent auction or as doorprizes at your organization's special events.

To register your organization in the MazeDays Program, or for more information, please contact me in the Howell Farm office at 609-737-3299 or at [dhoughton@howellfarm.com](mailto:dhoughton@howellfarm.com). And for a sneak peek at this year's maze, which will open September 17, visit our maze website: [www.cornmazenj.com](http://www.cornmazenj.com)

We look forward to hearing from you, and helping you put some AMAZING fun in your fundraising program!

Sincerely,

Danielle Houghton
